PAYROLL

Navigate the complexities of pay with secure and accurate payroll.

ELMO

Eliminate the hassle of managing pay data across multiple systems. Manage your people and payroll via a single, intuitive platform that's designed to help you automate admin while improving accuracy.

ELMO Payroll streamlines even your most complex payroll needs. Extensive configurability allows you to build the payroll system you need, quickly and effectively.

Reduce admin, increase accuracy

Complicated payroll processes? Not with ELMO. Reduce payroll errors by limiting manual data handling to increase efficiency.

Compliance with confidence

Enjoy a stress-free payroll experience. Our payroll software caters to all your compliance requirements.

Richer, tailored reporting

Our payroll reporting makes your insights richer. Generate a range of reports, including audit, variance, payroll tax, and more, with just a click.

Why you'll love it

ELMO Payroll goes beyond traditional payroll software systems by bringing together rich functionality without the bloat of legacy systems.

Reduce the risk of errors and ensure that employees are paid accurately and on time. Our payroll software also simplifies tax filing and delivers compliance with regulations, giving you the confidence that legal requirements are met.

ELMO Payroll provides a comprehensive solution that tackles the challenges of payroll processing while enriching the overall experience for both employers and employees.

PAYROLL

> "ELMO's given us the ability to streamline not only the people and culture and traditional HR elements, but also align those with payroll and bring all of that together.

> - Scott Dalby, Head of People & Culture at The Sydney Swans
